

# T94™ Series

## Auto-Darkening Welding Helmets

### Quick Specs

#### Viewing Area

T94/T94i: 9 sq. in. (58.1 sq. cm)  
T94i XL: 13 sq. in. (83.9 sq. cm)

#### Operating Modes and Shades

Weld (8–13, XL 8–14), Cut (5–8),  
Grind (2.5, XL 3.0), X-Mode™ (8–13, XL 8–14)  
(T94i and T94i XL have integrated grind shields)

#### Light State

T94/T94i: 2.5  
T94i XL: 3.0

#### Sensors 4

#### Optical Clarity EN (379)

T94/T94i: 1/1/1/2  
T94i XL: 1/1/1/1

#### TIG Rating ≥3 amps

#### Switching Speed 1/25,000 second

#### Weight

T94: 20.5 oz. (580 g)  
T94i: 25 oz. (714 g)  
T94i XL: 28 oz. (794 g)

#### Certifications ANSI Z87.1+, CSA

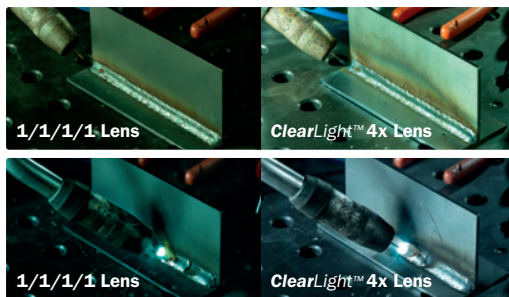

T94™

T94i™

T94i™ XL

**Optional helmet lighting accessory kit** includes two lights (one for each side) and all required mounting hardware.

**ClearLight™ 4x Lens Technology (T94 and T94i)** offers up to four times the clarity compared to welding helmets with 1/1/1/1 as per official USA ANSI certification of lens visibility.

**Large integrated grind shield with HDV (T94i and T94i XL)** provides 44 sq. in. of clear viewing area for grinding and other tasks, increasing helmet-on time and decreasing the potential for eye injuries. HDV Technology provides a sharp detailed view at any angle with minimal distortion.

**External grind control (T94)** allows for seamless transitions from welding to grinding.

**Four arc sensors and four modes:** weld, cut, grind and X-Mode. X-Mode electromagnetically senses the weld to reduce sunlight interference and continuously detects the arc even if sensors are blocked.

**Memory function** for easy switching between two preset customized memory settings.

**InfoTrack™ 2.0** tracks and displays arc time and arc count.

**Quick-release one-piece cover lens with HDV** simplifies lens changes, reducing downtime. HDV Technology provides a sharp detailed view at any angle with minimal distortion.

**Shade 5.0 side windows** enhance peripheral vision, amplifying sense of surroundings.

**Half-shade settings** for precise lens adjustment.

Auto-darkening lens is warrantied for four years.

## Additional Features

**Digital controls** easily allow welder to make precise lens adjustments to shade, delay and sensitivity.

**Lightweight, well-balanced design** reduces neck torque, minimizing operator fatigue and strain, leading to an increase in comfort.

**Chiseled shell design** provides optimal skin coverage while easily accommodating a Miller® Half Mask Respirator.

**Matte silver finish** reflects ambient heat, reducing temperatures up to eight degrees Fahrenheit underneath the helmet.

**Ergonomic, four-point flexible headgear design** provides a secure fit, while avoiding major pressure points within the head, maximizing all-day wear. Customizable fit with seamless tilt, distance and tightness adjustments. Pivoting, oversized back pad and multiple head straps secure helmet in downward applications, eliminating overtightening and discomfort.

## Ordering Information

Auto-Darkening Welding Helmets	Stock No.	Description	Qty.	Price
<b>T94™</b>	<b>296791</b>	With external grinding control		
<b>T94i™</b>	<b>296792</b>	With integrated grinding shield		
<b>T94i™ XL</b>	<b>287768</b>	With integrated grinding shield		
<b>Consumables</b>				
Battery, CR2450	<b>217043</b>	For all models		
Cover Lens Assembly HDV, Front	<b>287016 / 287016B</b>	5 pack or 50 pack (bulk). For all models		
Cover Lens, Inside	<b>216327 / 216327B</b> <b>287777 / 287777B</b>	5 pack or 50 pack (bulk). For T94 and T94i 5 pack or 50 pack (bulk). For T94i XL		
Grinding Shield HDV	<b>288765</b>	For T94i and T94i XL		
Tear-Away Grinding Shield	<b>258853</b>	For T94i and T94i XL		
<b>Replacement Parts/Accessories</b>				
<b>ClearLight™ 4x Auto-Darkening Lens</b>	<b>296787</b>	For T94		
	<b>296879</b>	For T94i		
<b>ClearLight™ 2.0 Auto-Darkening Lens</b>	<b>287778</b>	For T94i XL		
Headgear (Gen. 4)	<b>260486</b>	For all models		
Side Window Covers	<b>260197</b>	For all models		
Front Fabric Sweatband	<b>770249</b>	For all models		
Helmet Bib	<b>279078</b>	Additional neck protection. For all models		
Top Helmet Cape	<b>279080</b>	Top protection from spatter and light. For all models		
Hard Hat Adapter, Slotted	<b>259637</b>	Compatible with most slotted hard hats. For all models		
Hard Hat Adapter, Universal	<b>265315</b>	Compatible with MSA , Fibre Metal and most hard hats. For all models		
Helmet Lighting Accessory Kit	<b>281361</b>			
Magnifying Lens Adapter	<b>290209</b>	For T94i XL		
Magnifying Lens	<b>212235</b>	0.75		
	<b>212236</b>	1.00		
	<b>212237</b>	1.25		
	<b>212238</b>	1.50		
	<b>212239</b>	1.75		
	<b>212240</b>	2.00		
	<b>212241</b>	2.25		
	<b>212242</b>	2.50
